

Team ID	PNT2022TMID06855
Project Name	AI Based Discourse for Banking Industry
Topic	Loan queries

The screenshot shows the IBM Watson Assistant interface for a 'Loan' topic. The 'Customer starts with' dropdown is set to 'Loan'. The 'Conversation steps' list shows three steps: 1. 'Please approach the bank with the following documents.', 2. 'what type of loan are you looking for?', and 3. 'To be eligible for a house loan please contact our bank service with all existing loan details.' The 'Preview' button is visible at the bottom right.
